You are invited to attend
Our Winter Seminar

“Sleuthing, Rarity, Philanthropy: the Great Collector”

In conjunction with our kind hosts at The Johnston Collection

On Saturday 27th June, 2026

What is it that makes a truly great, world class collector? Is it a discerning eye and the pursuit of perfection. Is it meticulous cataloging and an insistence on provenance? Is it the joy of sharing and a passion for educating?

Join us to hear about these outstanding people from the perspective of the dealers who work with them and secure their collections, the institutions that benefit from their generosity, and their fellow collectors and admirers. With fabulous presentations, a tour of Fairhall, a delicious lunch, and social drinks afterwards, this will be a delightful day.

Our speakers will be:

Felicity Marno, international dealer extraordinaire and long-time friend of the Circle;

Danny McOwan, OAM, Executive Officer of the Tapestry Foundation of Australia and former Director of the Hamilton Gallery;

Rob Robertson, discerning collector and educator; and

Genine Wallinga, current president of the Circle.
